

Animation Outsourcing

Asia Pacific Direct is the exclusive representative for Toonz Animation, in Australia and New Zealand.

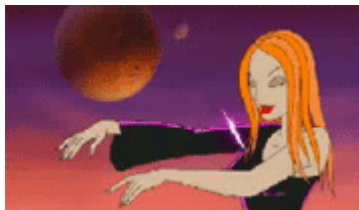

Toonz Animation is an animation outsourcing hub with a complete state-of-the-art facility with over 600 artists and technicians working on animated films in 2D and 3D. Formats include episodic television animation, ad films, direct-to-video and feature length. We estimate that producers can usually save more than 50% on their animation projects when it is outsourced through to Toonz.

The primary studio is located in India over 180 acres of landscape. Toonz was recently quoted as one of the top 10 most promising studios in the world by the Animation Magazine.

Toonz has completed and is working on several 2D and 3D animation projects for many well know international production houses such as Marvel, Paramount Pictures, Disney, BBC UK, Hallmark, just to name a few.

Toonz also co-produces and exclusively owns an extensive library of various titles developed for the audience all around the world.
