

Web Hosting

Asia Pacific Direct Australia provides highly cost effective and reliable hosting solutions for businesses of all sizes. Our hosting prices are one of the lowest in Australia. Shop around, and you will see the difference for yourself, in both prices as well the long list of features that we offer with our hosting plans. Don't get caught in the monthly payment plans, as you are likely to end-up paying almost double on an annual basis. Our hosting plans have no hidden cost, so you know for sure what you are paying upfront.

Price	Validity	Web Space	No. of e-mail addresses
\$99	1 year	20 MB	5 e-mail addresses
\$149	1 year	50 MB	10 e-mail addresses
\$199	1 year	100 MB	15 e-mail addresses

Our hosting plans include the following features:

- ❖ SSL Secure Server
- ❖ 24 hours FTP access (unlimited ftp access)
- ❖ Multiple POP3 email accounts
- ❖ Web Based Email - check your mails from anywhere, anytime
- ❖ Unlimited Traffic to your clients domain (unlimited data transfer)
- ❖ Web Based Control Panel lets you easily manage your site.
- ❖ Email Management
 - ❖ Add/Remove/Manage/Modify Email Accounts, Passwords, Disk Quota, Email Aliases, Catch-All Email Alias, Email Forwarding, Auto Responders.
